

Vic Parks
District 2 Director
Term Expires: 2017

Vic Parks, of 579 Tuttle Ln., Burbank, is retired from Battelle National Laboratory as a Building Technician. During his ten year career as a journeyman electrician, Vic installed and maintained center pivot irrigation systems throughout the Columbia basin and northern Oregon. He was a commercial fisherman for six years and did fisheries research for the National Marine Fisheries Service for four years. Vic has lived in the Burbank community more than thirty years. In addition to his position on the Columbia REA Board he volunteers for various activities in the Burbank School District. Vic has earned his Credentialed Cooperative Director Certificate. Vic and his wife Wanda have six grown children and ten grandchildren.

Duane Depping
District 2 Director
Term Expires: 2018

Duane Depping, of 450 Tuttle Ln., Burbank, has been a resident for thirteen years. Duane retired from the Farm Credit System in 2014 after forty-one years as a lender. He remains active in Rotary Club of Walla Walla and enjoys contributing to Boy Scouts and school fundraisers in the Burbank area. Duane and his wife Nancy have two daughters and five grandchildren.

Dennis Munden
District 2 Director
Term Expires: 2019

Dennis Munden, of 27143 Ice Harbor Dr., Burbank Heights, is a retired Agriculture Science and Natural Resources instructor at Columbia High School in Burbank. Dennis is a graduate of Washington State University with a major in Production Agriculture and Agricultural Science Education. As a longtime member of the Burbank community, Dennis has served as a firefighter/EMT with Fire District #5, has volunteered at First Baptist Church, worked on facilities planning with the Columbia School District and has been active with state and national professional teacher organizations. Dennis is a graduate of the Washington Ag. Forestry adult leadership program, and currently holds the Credentialed Cooperative Director Certification. Dennis and his wife Lori are the parents of three adult children and enjoy five grandchildren.
